#### **PETERSBURG**

#### **GRANITE ARCH ERECTED** TO CONFEDERATE DEAD

Will Be Unveiled With Appropriate Exercises in Blandford Cemetery on June 9.

NURSES' GRADUATING EXERCISES

Six Young Women Awarded Diploma New Bridge to Be Constructed Across the Appomattox River.

> The Times-Dispatch Bureau, 5 Bollingbrook Street.

Petersburg, Va., June 2. An interesting feature of the Con federate Memorial exercises to be held In Blandford Cemetery on the afternoon of June 9 will be the unveiling of the massive and beautiful granite arch erected by the Ladies' Memorial Assoclation in commemoration of the South- at hand when required. ern heroes whose remains rest in the cemetery. The arch cost \$4,000, and spans the main avenue leading to the soldiers' grounds. The Ladies' Memorial Association, at a meeting yesterday afternoon, perfected the program of exercises for Memorial Day, in which the Veterans, Sons of Veterans, Daughtars of the Confederacy, Junior Memorial Association, the military and citirial Association, the military and citizons generally, will participate. There will be a parade of veterans and sons with the escort of the Petersburg Grays. The program at the cemetery, besides the unveiling, will embrace the memorial oration by the Rev. J. A. McClure, of the Second Presbyterian Church, who will be introduced by Senator P. H. Drewry. General Stith Bolling has been appointed chief marshal for the day, and he will name his assistants.

Nurses' Gradusting Exercises.

The graduating exercises of the Petersburg Hospital Training School for Nurses were held to-night in the auditorium of the Duncan Brown Public School, on Wythe Street. A very large audience was present, and there was a delightful program of music. The graduating class was composed of six young women, who had completed their course of training. Diplomas were presented to them by Dr. J. Bolling Jones, who also delivered the address of the evening. The names of the graduates are: Misses Elizabeth S. Bell. of Maryland: Belle McKay Chapin, of North Carolina; Male M. Gatling, of Virginia; Lucille Stein, of South Richmond; Willie E. Moore and Carrie F. Sutherland, of Petersburg. The young garduates were the recipients of many bouquets.

were the recipients of many bouquets.

Malice or Accident?

Justice Watkins, of Dinwiddle County, this morning held an inquest on the body of Arthur Henderson, the colored youth who was drowned yesterday afternoon in the city's reservoir, at the head of Willcox Run. The drowning occurred about 3 o'clock, and the body was recovered about 6 o'clock. The evidence showed that a party of boys had gone in bathing, and that Henderson could not swim. It further showed, on the statement of several boys, that Henderson was pulled or pushed out into water beyond his depth by John Daingerfield and there left. This was done against the appeals of Henderson and of several of his companions. Unable to swim, Henderson sank and was drowned. The jury rendered a verdict that Henderson came to his death by dorwning caused by being pushed out into water over his depth. W John Daingerfield, but, from the evidence, could not decide whether Daingerfield, charging him with a malicious act, and in the mean time, all the boys will be punished for bathing in the reservoir in violation of law.

New Bridge Plans.

Major Young, of the United States Engineer Corps, who, with Major Winslow, engineer in charge of rivers and harbors in Virginia, has given approvals of the city's plans for the construction of a new bridge across the Appoination to take the place of the present structure, was in the city yesterday, and made some suggestions as to the approach to the Petersburg end of the bridge. They were mainly in a line to conform to any grade suggested by the Norfelk and Western Railway Company, and to provide for any future elevation of tracks. A conference will soon be held with the Norfelk and Western officials in regard to the matter. As seen as the bridge question is disposed of attention will be given to the improvement of the harbor by the government.

To Cunfer Crosses.

To Confer Crosses.

To-morrow evening in A. P. Hill Camp Hall Petersburg Chapter, United Daughters of the Confederacy, will celebrate the birthday of Jefferson Davis. An address will be deliverd by Professor A. K. Davis. Confederate songs will be sung and crosses of honor will be bestewed on several veterans and descendants of veterans.

Sidewalls.

Verdure tapestry effects are seen among the allover patterns. Some in gray, with a suggestion of gold thread, are especially pleasing, while those in darker shades are rich and quiet in tone.

The papers in gross-cloth effect show

The Studebaker light SIX was three years old before the public was able to buy it. We experimented at our own cost.

The Studebaker SIX has the largest proportion of manufactured parts.

They have been so heat treated by strictly scientific methods that they are both lighter and immensely stronger.

Studebaker SIX standards de-mand that the front axle shall withstand being twist-ed seven times upon itself without a crack.

They demand that the rear axle shafts shall stand the same terrific torsion test. They demand perfect align-ment, perfect lubrication and perfect balance, to the end that friction and vibra-tion shall be eliminated and long life promoted.

But chiefly they demand that not one of the many econo-mies arising from the light-ness of the Studebaker Six shall be purchased at sac-rifice of strength or steadi-
